

Sponsorship, Golf & Awards Dinner Reservations

Friends of Rochester Area Swim Teams (FORAST) is an independent group of coaches, parents, and alumni who are committed to supporting swimmers and divers in Rochester area High Schools.

One of our fundamental goals is to foster an environment that encourages High School swimmers & divers to embrace a 'team' concept when competing at the highest levels. Initially we would like to provide "State Team" apparel and caps that would recognize qualifiers as part of the "Section V Team". Eventually, with adequate funding, this concept could extend to Sectional level competitors in an effort to promote and recognize high level competition.
